

# MOUNTAIN VIEW HIGH SCHOOL BANDS

## FIELD TRIP PARENT CONSENT FORM

**Student:** \_\_\_\_\_

The Mountain View High School Marching Band is planning trips to the competitions and events listed below. The purpose of these field trips is to participate in Marching Band Competitions/Festivals, football games and other performances. The students will depart from and return to Mountain View High School at the approximate times given under each trip's itinerary. Parents MUST pick up students at the time designated. Transportation to and from Mountain View High School must be provided by parents if the trip begins before and/or terminates after regular school hours. The cost for charter bus transportation has already been included in band expenses paid at the beginning of the marching band season. Students will need to pay for any meals and snacks while on these trips.

One or more teachers will accompany the students; however, school nurses do not accompany students on field trips. Parents/guardians must make arrangements for administering medication or medical procedures to students while they are away from school. Such arrangements must have school approval.

Should you have any questions concerning these trips, please contact Doug Armstrong, Director of Bands at: [armstrongdc@staffordschools.net](mailto:armstrongdc@staffordschools.net).
