IV. Director's Report

Mr. A. emphasized his desire for the kids to take care of themselves. They seem to have a problem with dehydration and should be carrying a bottle of water to every rehearsal. They should also eat a good lunch, many of the kids skip lunch or don't eat well. He also suggested a good snack after school. There is plenty of time between the last bell and the start of rehearsal. Attendance is a priority and he feels that we all need to make rehearsals a priority. Although he understands that some appointments can't be adjusted, he asked that we try to avoid scheduling them during rehearsals. Mr. A is mostly concerned with the procedures, actions and self-discipline and public perception of the band, not winning awards. Overall, he is pleased with the growth of the band so far.

Questions were asked about the Sprng trip to Florida. The dates will change due to testing dates that have changed. The new dates may be in the end of March, Spring Break is a possibility, too.
